## **BATG DECLARES BANKRUPTCY. ANIMAL SHELTER RECOVERY UNLIKELY**

In a move that surprised no one BATG filed for chapter 7 bankruptcy protection on December 21, 2011. The move likely will end any hope of recovering on the Towns pending lawsuit to recover damages for the companies failure to replace the Carver Animal shelter as required in their contract with the Town.

The citizens of Carver were given an estimate by Rick LaFond at the June 26, 2007 Selectmen's meeting LaFond **"estimates the cash value of the Town's contract with BATG for the animal shelter at \$350,000". LaFond and Koppleman and Paige blustered that the town could recovery triple damages under the consumer protection statutes. Fixcarver is on record as stating " The only assurances the citizens can count on is that the legal bills will likely exceed the damages recovered in the case."** Frank Casey is on record as stating that Kopelman & Paige is "batting one thousand".

Those of you who put your faith in Rick LaFond, Frank Casey and Koppelman & Paige have been burned again. That like the bankruptcy filing should surprise no one.
