## The Case Against Boss Casey

Frank Casey has once again overstepped his authority as Chairman of the Board of Selectmen by unilaterally approving an increase in the dump sticker fee from \$8.00 to \$10.00 without consulting other members of the Board. In response to a citizen request for the meeting date at which this rate increase was approved by the Board of Selectmen Chairman Casey responded *“Due to the added printing costs of the new adhesive stickers that adhere to the windshields rather than the bumpers of vehicles, I authorized the increase of \$2.00.”* Mr. Casey is confused as to the proper role of the Chairman of the Board Fixcarver cannot find any Town Bylaw authorizing granting any special authority to Mr. Casey. We challenge Mr. Casey or anyone else to cite chapter and verse of state or local laws granting such authority. Until then we urge citizens to apply for reimbursement of this illegal .fee
